February 28, 2006

Dear Mr. David Head
and Mr. Alan Jackson,

Thank you for coming and
presenting inventions and part of
the life of Granville T. Woods.
I learned invents like the
telegraph. I honor Granville
T. Woods because his life is
so interesting. I hope you
continue your investigation about Granville
T. Woods' life. The more important
thing that I learned is to
never give up.

Sincerely

Nicole Bautista
